PROFILE

I am a graduate from Oakland University with a BA in Graphic Design. I am looking specifically for a company which will allow me to create and provide opportunities to grow as an artist.

As a digital artist, I am very proficient in Adobe Illustrator and Adobe Photoshop with some experience in Adobe InDesign and Adobe After Effects. I am knowledgeable with HTML and CSS.

I am eager to please, happy to work with clients, and get along well with others. I believe working as a team helps everyone grow and learn from one another.
